

New - Hot Tip of the Month!

Do you have something you just learned about AutoCAD-based software that is really a time-saver and you just can't wait to share it with someone else?

How about something you just know the software should be able to do (or used to be able to do)?

Send me an email before the end of each month and I will get it in this area of the newsletter.

Also, remember to spend me your ideas for training topics for the meeting night. They can be on plain AutoCAD, AutoCAD Architecture, or AutoCAD Civil3D. ❖

Beverages and cookies are provided by Tim Corey; however, the group provides PIZZA each month!

Autodesk University 2008

Absolutely the Best Training Experience for the \$\$\$

**Save The Dates:
16th Annual Autodesk University
December 2-5, 2008
The Venetian Resort Hotel
Las Vegas, U.S.A.**

Each year, more people than ever discover that an annual trip to the AU conference is a great way to keep their skills up to date, renew business contacts, and make new friends with like-minded professionals from around the world. Plan now to be part of this once-a-year opportunity at AU 2008 in Las Vegas. ❖

**Next month's meeting:
Monday, June 9, 2008**

Monday, May 12, 2008

*5:30 PM at Delta Engineering Systems,
1438 Hartnell Avenue, Redding*

Agenda

HAVE YOU SEEN THE NEW ADVERTISEMENTS?

Greg has to made arrangements with our local newspaper to have an announcement published each month about our non-profit group meeting. Also, Tim Corey has provided us space in the Delta Engineering Systems monthly newsletter. ❖
