

AutoCAD 2009 Status Bar

Not only did they make it so you can set the buttons to icon only and they turn blue when they are on...

How often do you right-click on a status bar button? If you are running new AutoCAD-based 2009 software, you might want to give it a try!

Many of the options specific to each status are now available on the right-click menu for that command mode. This includes things like object snaps and polar snap angles. ❖

Autodesk University 2008

Absolutely the Best Training Experience for the \$\$\$

**Save The Dates:
16th Annual Autodesk University
December 2–5, 2008
The Venetian Resort Hotel
Las Vegas, U.S.A.**

Each year, more people than ever discover that an annual trip to the AU conference is a great way to keep their skills up to date, renew business contacts, and make new friends with like-minded professionals from around the world. Plan now to be part of this once-a-year opportunity at AU 2008 in Las Vegas. ❖

**Next month's meeting:
Monday, July 14, 2008**

Monday, June 9, 2008

5:30 PM at Delta Engineering Systems,
1438 Hartnell Avenue, Redding

Agenda
