

Free Pass to AU 2008

Local Users Group receives free pass to use as reward loyal member participation

NCAUG was awarded a free pass to AU 2008 by our parent group, AUGI. This pass included registration, hotel accommodations, exhibit hall, and meals.

An executive board vote unanimously determined that the free pass should go to the member with the highest attendance record; however, they must be available to attend and get to Vegas!

Gilbert Gonzales had the highest attendance but was not available. The first available member on the list was Jon Brinn. **Congratulations Jon!** ❖

Cypress Bridge Tour

There are still some spaces open

As reported last month, we have arranged for a walking tour of the bridge on Wednesday, November 19th at 1:00 pm. The tour is approximately one hour. Hard hats and orange vests are provided, although you are encouraged to bring your own.

We currently have nine members signed up to attend. We can accommodate about three more individuals. If interested, please contact Larry Bettes, at 245-7127. ❖
