

## AutoCAD Architecture 2010

*Check out the new streamlined workflow!*

**Gilbert Gonzales will demonstrate and discuss the new features of AutoCAD Architecture 2010, including the newly integrated Ribbon!**

And don't forget about the availability of the core changes to AutoCAD, especially:

### **PDF Integration**

Sharing and reusing designs has never been easier, thanks to a long list of upgrades made to streamline communication. Publish PDF files directly from AutoCAD drawings and attach and snap to PDF files as underlays. ❖

## Trying to find a job?

*Maybe you know someone that needs one?*

There have been several job listings for CAD Operators.

Congratulations to Melissa Senter on her move to Unity Electric. And to Jeremy Flory (one of the students at Shasta College) for getting the position to replace Melissa at NSP3. ❖

## **HOT AutoCAD Tip**

***Don't forget about DesignCenter!***

This crazy little tool saves lots of time and it is not just for Blocks! Add Layers, Linetypes, Text styles, Dimension styles, Layouts, Multileader styles, and Table styles to any drawing with a Drag-n-Drop!
