

Membership Dues

This FREE newsletter has a price!

I know that many of you do not regularly attend the monthly meetings, but you are still receiving this newsletter and reaping the benefits of the collective knowledge shared herein. Membership dues are only \$20 for a year and are due in January.

Please send your dues to NCAUG, 17467 Fuzzy Lane, Anderson, CA 96007. Or even better, bring them to the meeting this month. ❖GJ

**Next regular meeting: (?)
(?) Thursday, Feb. 11, 2010**

Call for member input

Is there anyone out there?

This newsletter belongs to the NCAUG membership. This is a call for input from that membership. I know that there are people out there that have knowledge that we can all benefit from!

Please, send in any software tips, or information you want to share. Maybe an interesting solution to a recent problem. A description of a feature you just discovered. Anything!

Remember, our group is diverse. We are an AutoCAD users group but that includes any program built on top of AutoCAD or used in association with AutoCAD. ❖LB
